

POTENTIAL CONFLICT OF INTEREST POLICY - Towcester Choral Society (TCS)

1. Introduction and scope

This policy applies to all officers of Towcester Choral Society (TCS).

A 'conflict of interest' arises when the best interests of an individual TCS officer are, or could be, different from the best interests of TCS.

The TCS committee acknowledge that conflicts of interest may occur from time to time. TCS is committed to managing these potential conflicts to protect both TCS and the TCS officer from any impropriety or the appearance of impropriety.

2. Statement of intent

TCS is committed to ensuring its decisions and decision-making processes are free from personal bias and do not unfairly favour any individual connected with the society.

3. Policy statements

- a) TCS will ensure every officer understands what constitutes a conflict of interest and that they have a responsibility to recognise and declare any conflicts that might arise for them.
- b) TCS will document the conflict and the action(s) taken to ensure that the conflict does not affect the decision making of the organisation.

4. Procedure

When an officer identifies that they have a potential conflict of interest they must:

- Declare it as soon as they become aware of it
- Ensure it is entered in the conflict-of-interest register (ongoing conflicts), and/or appropriately minuted (one-off conflicts)
- Not take part in any committee member discussions relating to the matter
- Not take part in any decision making related to the matter

The TCS committee discussion of the conflict of interest should be minuted, and any actions agreed should be recorded.

If a TCS officer is unsure what to declare as a conflict of interest, they should discuss the matter with the Chair of the TCS committee for confidential guidance.
